MORGAN PRINCE.

THIS FINE MORGAN STALLION WAS selected and purchased, in the Fall of 1860, in New Hampshire, by the undersigned, after a careful personal examination of some four or five hundred stock Horses, for his pure Morgan blood, hundred stock Horses, for his pure Morgan blood, and as possessing in a very remarkable degree all the requisite points of an A. No. I Stock Horse.

Morgan Prince was ten years old last season, is a beautiful dark bay, with black legs, mane and tall, and without white; weighs, when in good flesh, 1250 to 1300 pounds. Has been broken to harness, and has unsurpassed beauty of style and action, great muscular power, excellent disposition, and for smoothness of gait, bottom and speed, as a trotter, is not excelled by any. He is romarkably sure, and a marked peculiarity of this Horse's stock is a very striking resemblance to himself, both in color and form, as we saw exemplified in some forty specimens of his get uxamined by us.

himself, both in color and form, as we saw exemplified in some forty specimens of his get uxamined by us.

Morgan Prince was sired by Kent's Granite

living, aged 40 years;) g. g. sire Sherman Morgan;
g. g. g. sire Justin Morgan. His dam by Cannan

Morgan, by Cock of the Rock, by Sherman Morgan, by Justin Morgan.

Morgan Prince received the first premium in
the year 1856, in his class of Sherman Morgan
stallions, at Grafton County Fair, held at Haverbill, N. H. Also, first premium, in same class, at
Connecticut River Valley Fair, held at Bradford,
Vermont, 1857. It is the Morgan stock of Horses—
and this is one of thom, sure—that is now
prized beyond all others, and have carned a higher character for doulity, endurance, style, action
and speed as trotters than any other stock of
horses in our country.

The attention of all lovers of good stock is invited to this Horse, now making his second season in Tennessee. He will serve a limited number of Mares the present season, at the stable of Eli Dixon, five miles East of Athens, at \$16, insurance, due when the Mare is ascertained to be in foal or parted with; \$13 the season, payable at close of season; and \$16 the single service, payable at time of service.
